2. Characteristic spirit and general objectives of the school

De La Salle College is a Catholic Co - Educational voluntary secondary school with a Catholic Ethos under the trusteeship of Le Chéile Schools Trust.

The purpose of our Le Chéile / Lasallian school is to provide an education that acknowledges and affirms the dignity and uniqueness of every human being as a child of God - "The glory of God is humanity fully alive" (St Irenaeus). It embraces the intellectual, physical, cultural, emotional, social, moral and spiritual growth of each student.

Our school seeks to build a learning community that welcomes, and witnesses to, the Gospel values of Jesus Christ, expressed through the lens of the Le Chéile Charter. The school draws on the richness of the religious and cultural heritage of the past and the charism of our founder John Baptiste De La Salle. Our school is committed to the five Core Lasallian Principles of:

- Faith in the Presence of God
- Respect for All Persons
- Inclusive Community

- Quality Education
- Concern for the Poor and Social Justice

It is a place of inclusivity, equality and openness, where people can live with and be taught by one another, however diverse our experiences might be. It does not discriminate on religious grounds and is open to students from diverse backgrounds. It offers educational opportunities which promote excellence so that students can reach their potential and respond responsibly to their own lives, the lives of others and the earth, which is our home.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education the school supports students in their Catholic religious formation. All students' spiritual growth is enhanced through areas such as nature, art, poetry and music. The spiritual life of students can also be deepened through prayer and ritual.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of De La Salle College shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

The general objectives of all Le Chéile schools include:-

- **Welcome** recognises the unique dignity and worth of each person.
- **Wisdom** is the pursuit of a greater understanding and appreciation of the world.
- **Witness** comes from the expression of Gospel values, in everyday life, and recognises that every person is made in the image and likeness of God.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

Only students whose applications have been received on time will be offered places in accordance with the criteria above. Places will only be offered to students in a given category after all students in each previous category have been offered a place.

The lottery is conducted as follows:

- (ii) Whether or not you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

11. Circumstances in which offers may not be made or may be withdrawn

An offer of admission may not be made or may be withdrawn by De La Salle College where—

- (i) it is established that information contained in the application is false or misleading.
- (ii) an applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual admission notice of the school.
- (iii) the parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of

- the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student; or
- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out in section 9 above.

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

- (i) an application for admission to the school has been received,
- (ii) an offer of admission to the school has been made, or
- (iii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) the date on which an application for admission was received by the school;
- (ii) the date on which an offer of admission was made by the school;
- (iii) the date on which an offer of admission was accepted by an applicant;
- (iv) a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to De La Salle College were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of De La Salle College is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list.

14.Procedures for admission of students to other years and during the school year

Where parents wish to make an application for their child to a year group other than First Year or during the school year, they should in the first instance fill in an Application Form. An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be deferred until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school the parents and their son/daughter may be invited to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their son/daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason parents and their son/daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a transfer to the school would be in the best interests of their son/daughter given the curricular provision, subject choices/levels available at the time.

Acceptance of an offer of a place by an applicant to a year group other than First Year or during the school year:

The parents must confirm their acceptance in writing of an offer of a place within three weeks of the date of the offer of a place.

In accepting an offer of admission from De La Salle College the parents must indicate—

- (i) whether or not they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and
- (ii) whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

Circumstances in which offers of a place in a year group other than First Year or during the school year may not be made or may be withdrawn:

An offer of admission may not be made or may be withdrawn by De La Salle College where—

- (i) it is established that information contained in the application is false or misleading;
- (ii) an applicant fails to confirm acceptance of an offer of admission within three weeks of the date of the offer of a place;

- (iii) the parent of a student, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student;
- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out above;
- (v) the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility; or
- (vi) the application is made for a place in Transition Year or Fifth Year in the forthcoming academic year **before** the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either year.

Oversubscription to the year group other than First Year:

In the event of there being more applications to the year group other than First Year than places available, a waiting list of students, whose application for admission to the particular year group has been refused, will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list will be in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy see [Section 6](#) above. If there are two or more students in any of the selection criteria categories set out in [Section 6](#) above, then the position on the waiting list (for places in a year group other than First year) will be determined by a lottery process overseen by the Principal, Deputy Principal and an independent observer appointed by the Board of Management.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Sharing of Data with other schools:

Applicants should note that the provisions of [Section 12](#) above relating to the sharing of data with other schools will apply in all cases where an application is made to a year group other than First Year or during the school year.

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

- (i) an application for admission to the school has been received,
- (ii) an offer of admission to the school has been made, or
- (iii) an offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) the date on which an application for admission was received by the school;
- (ii) the date on which an offer of admission was made by the school;
- (iii) the date on which an offer of admission was accepted by an applicant;
- (iv) a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

15. Declaration in relation to the non-charging of fees

The Board of De La Salle College or any persons acting on its behalf shall not, except in accordance with section 64 of the Education (Admission to Schools) Act 2018, charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

16. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for parents of students and students (over 18) who have requested that the student attend the school without attending religious instruction in the school:

These arrangements will not result in a reduction in the school day of such students.

Parents of students and students (over 18) who wish to opt out of RE class should make a written request to the Principal. A meeting will then be arranged with the parent and the student to discuss their options.

Throughout this process the constitutional right of the parent/ student (over 18 years) will be respected by the school. The 1998 Education Act states that schools are required to promote the moral, spiritual, social and personal development of students (Section 9 (d)). At De La Salle College the allocated time on the timetable for Religious Education responds to this.

Students who opt out of RE class are required to use this time to study material relating to their own religious tradition or belief, for example sacred texts. Students of no religious faith, who opt out of RE class, are required to study relevant literature or philosophical texts. A list of suggested texts can be provided by the school. In line with the Le Cheilé Trust Charter which places great importance on the religious or spiritual formation of all its students. Each student has his own personal journey which will be encouraged and respected. Students who opt out of RE class will not be offered extra tuition or study periods.

17. Reviews/appeals

Review of decisions by the Board of Management

The parent of the student, or in the case of a student who has reached the age of 18 years, the student, may request the board to review a decision to refuse admission. Such requests must be made in accordance with Section 29C of the Education Act 1998.

The timeline within which such a review must be requested and the other requirements applicable to such reviews are set out in the procedures determined by the Minister under section 29B of the Education Act 1998 which are published on the website of the Department of Education and Skills.

The board will conduct such reviews in accordance with the requirements of the procedures determined under Section 29B and with section 29C of the Education Act 1998.

Note: Where an applicant has been refused admission due to the school being oversubscribed, the applicant **must request a review** of that decision by the board of management prior to making an appeal under section 29 of the Education Act 1998.

Where an applicant has been refused admission due to a reason other than the school being oversubscribed, the applicant **may request a review** of that decision by the board of management prior to making an appeal under section 29 of the Education Act 1998.

Right of appeal

Under Section 29 of the Education Act 1998, the parent of the student, or in the case of a student who has reached the age of 18 years, the student, may appeal a decision of this school to refuse admission.

An appeal may be made under Section 29 (1)(c)(i) of the Education Act 1998 where the refusal to admit was due to the school being oversubscribed.

An appeal may be made under Section 29 (1)(c)(ii) of the Education Act 1998 where the refusal to admit was due a reason other than the school being oversubscribed.

Where an applicant has been refused admission due to the school being oversubscribed, the applicant **must request a review** of that decision by the board of management **prior to making an appeal** under section 29 of the Education Act 1998. (see Review of decisions by the Board of Management)

18. Admissions for our Special Class for Autistic Students

18.1. Introduction

This Admissions Policy for the Special Class for Autistic Students is a supplement to the school's main Admissions Policy and must be read in conjunction with it. This policy is drafted in accordance with the rules for admission to special classes in post-primary schools as outlined by the Department of Education in Circulars 0038/2022, 0013/2023, and the new Circular 0039/2025.

18.2 Rationale

De La Salle College Special Classes for Autistic Students were established to provide an appropriate educational setting for students with a diagnosis of Autism Spectrum Disorder (ASD), which aligns with the school's ethos of providing an inclusive education for all students within a supportive environment. The class aims to provide a curriculum tailored to the individual learning, social, and emotional needs of the students.

18.3 General Admissions Statement

The school, in accordance with Section 61(1) of the Education Act 1998, admits students to the Special Class who meet the specified criteria and whose parents/guardians have made a formal application. All applications will be treated in an equitable and transparent manner.

18.4 Admissions Criteria

Children and young people are eligible for enrolment in a special class for autism when the following is provided in support of such an application:

- **Professional report(s) outlining:**
 - Diagnosis of special educational needs (e.g. Autism: DSM IV/V or ICD 10/11) from a psychologist, psychiatrist, or multi-disciplinary report.
- AND**
- A demonstration of the understanding of the complexity of the child's overall level of needs evidenced in the professional reports.
- AND**
- Given the severity or complexity of the child's support needs, a clear professional recommendation as to what educational placement type would be most appropriate to best meet the child's needs, along with the rationale for the same.
- AND**
- A letter from the NCSE confirming that the child is known to them and that the child has the required diagnosis and recommendation for a special class for autism.

18.5 Admissions Process

a. Application: All applications for the Special Class are made via a specific application form, available from the school office or on the school website. The application form must be completed in full and returned with all required documentation by the designated closing date, as set out in the school's annual admissions notice.

The enrolment application must be accompanied by all of the following supporting documentation supplied by parents/guardians:

- An original Birth Certificate

AND

- A written assessment and classification of autism or autistic spectrum disorder (ASD) by a psychiatrist or clinical psychologist using DSM-IV/V or ICD-10 criteria OR a multi-disciplinary assessment of same by a professional team, including a clinical psychologist.

AND

- A written recommendation by the relevant professionals that a special class placement in a mainstream school is both necessary and suitable for the child. This recommendation should be no older than one year.

b. Assessment and Ranking: Where there are spaces available in the class, all applications received by the closing date will be considered by the school's Admissions Team. The team will review the applications and supporting documentation to assess if the student meets the admissions criteria. The Admissions Team will make a final recommendation to the Board of Management.

Receipt of acknowledgement of an Enrolment Application by the school does not constitute an offer of a place nor does it guarantee a place in the school. It is simply the recording of an application for admission to our school. Decisions in relation to applications for enrolment are made by the Board of Management in accordance with our enrolment policy.

18.6 Offer of a Place

Where a school has places available for the relevant academic year, and the student meets the eligibility criteria, they will be admitted.
